

Royal Rangers

South Fort Worth Fishing Derby

Free Lunch

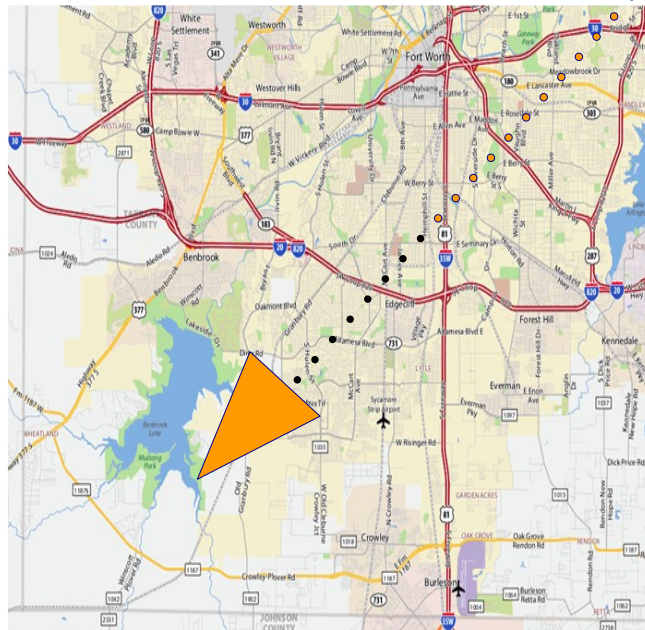

South Fort Worth Royal Rangers

is hosting a father/son fishing day, March 20, 2010. This event will be held at Rocky Creek Park on Benbrook Lake in southwest Fort Worth. This event is for all Royal Rangers and their father or guardian. SFW will be providing some worms and minnows so you don't have to bring bait. However, you will need a pole. State law does not require children under 16 to have a fishing license. If you are over 16 and will be fishing you will need a license. You can assist your son without the need of a license as long as he is the one who reels in any fish. Keepers are up to you. Cost for the day is \$10 for all rangers and \$5 for the parent/guardian and will cover park entrance fee, bait as long as it lasts, an event patch, and lunch. Yes, lunch is provided. There will be door prizes given away after lunch. So pack your fishing gear and come on out for a fun day of fishing and catching. Bring this flyer with you and show it at the gate for entrance.

**March 20, 2010
8:00 AM—1:00 PM**

Door Prizes!!!
